

Student A begins the conversation and Student B responds. Continue alternating questions and answers.

**A**

As a new student at this school, you are invited to spend the weekend at a classmate's house. In order to learn a little about his/her family, you are asking some questions.

1. Ask for the name of your classmate's brother.
3. Ask how old he is.
5. Ask for the name of your classmate's sister.
7. Ask where his/her (*deine*) grandparents live.
9. Ask if his/her (*deine*) parents are at home.

Student A begins the conversation and Student B responds. Continue alternating questions and answers.

**B**

You invited a new classmate to spend the weekend at your house. You are answering his/her questions about your family.

2. Give your brother's name.
4. Say how old he is.
6. Give your sister's name and say that she is terrific.
8. Say where your (*meine*) grandparents live.
10. Say if your (*meine*) parents are at home.
